## 2. 2024 Primary 6 Assessment Matters

In our efforts to nurture lifelong learners, we focus on helping our students discover more joy and develop stronger intrinsic motivation in learning. There are adjustments made to reduce school-based assessment load and perceived examination stakes. The P6 students will sit for their Preliminary Examination in Term 3 and PSLE in Term 4. To prepare the students for these examinations, there will be Non-weighted Assessments (NWA) in Term 1 and 2. More details on the NWA and examinations will be given at a later date.

	Term1	Term 2	Term 3	Term 4
English Language	Non-Weighted Assessment	Non-Weighted Assessment	100% Preliminary Examination	PSLE
Mathematics				
Mother Tongue Language				
Science				
Higher Mother Tongue Language				

## 3. Sale of the PSLE Booklets

The PSLE booklets (2021 – 2023) for the various subjects will be sold at the school's bookshop. The booklets are additional supplementary materials and teachers will be going through the booklets in class. More details on the purchase of these booklets will be provided at a later date.

## 4. School-Home Partnership

### a) Dissemination of Announcements and Consent Forms via Parents Gateway (PG)

Developed by the Ministry of Education and GovTech, PG is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

### b) Communication with Teachers

We encourage parents/guardians to communicate with your child's/ward's teachers via the Student Handbook. The handbook is a means of checking your child's/ward's daily assignments and instructions given by teachers.

Parents/guardians can communicate with teachers' via email, school's email ([naps@moe.edu.sg](mailto:naps@moe.edu.sg)) or through the school General Office (Mondays to Fridays, 8.00 a.m. to 5.00 p.m.) at 6441 8677.

Our teachers are not obliged to share their personal mobile numbers for communication with parents. Please use the school's main mode of communication stated above. We seek your

understanding to respect our teacher's time by contacting them only during school hours (7.30 a.m. to 5.00 p.m.) and that they may not be able to respond to you immediately as they might be in class. Please also allow the teachers at least 3 working days to respond to your feedback via email or phone.

### **c) Establishing a Positive School-Home Partnership**

Please visit our school website and official Ngee Ann Primary Facebook for updates on school life in Ngee Ann. We will be uploading photos of school activities/events and share our children's precious moments with you.

Mutual respect and trust form the strong foundation for positive engagement between schools and parents.

In adherence to PDPA guidelines, Whatsapp chat groups will not be created by the school. In the use of social media platforms such as Whatsapp, Facebook or Instagram, please be mindful of comments made that might incite unnecessary anxiety and/or unfounded speculations towards others.

If an incident occurs, allow the teacher/school time to verify the facts before engaging you, so that the incident involving your child can be resolved in a fair and objective manner. When disagreements occur, stay open and find out more from the school. Allow the teacher the opportunity to establish the facts and work with you to resolve disagreements amicably.

Our children succeed when schools and parents work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.

Thank you.

***Yours faithfully,***

Assistant Year Head (Upper Primary)
