3. Programme for Active Learning (PAL)

PAL is an integral part of the curriculum for Primary 1 and 2 students. In PAL, students are exposed to varied and fun learning experiences in four domains namely Sports and Games, Outdoor Education, Performing Arts and Visual Arts. Students learn socio-emotional competencies such as respecting others and responsible decision making. PAL also nurtures confidence, curiosity and cooperation skills in students. The PAL modules that will be offered to the P2 students are Sports & Games, Dance, Speech and Drama and Touch Typing.

4. Co-Curricular Activity (CCA)

P2 students will get to select their CCAs for 2026 in Term 4 2025 during the CCA Carnival. More details about the carnival will be provided at a later date.

5. Chinese New Year Celebrations

The school will be having the Lunar New Year Celebration on Tuesday, 28 January 2025, from 7.30 am to 10.00 am. P2 students are encouraged to wear Chinese traditional attire with white school shoes and socks. Alternatively, students can also wear a red T-shirt/shirt/blouse paired with the school shorts or culottes, with white school shoes and socks or the school uniform as per normal. Please arrange for your child/ward to bring a small bag, writing materials, a Mother Tongue storybook for morning assembly and a water bottle.

6. School-Home Partnership

a) Dissemination of Announcements and Consent Forms via Parents Gateway (PG)

Developed by the Ministry of Education and GovTech, PG is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

b) Communication with Teachers

We encourage parents/guardians to communicate with your child's/ward's teachers via the Student Handbook. The handbook is a means of checking your child's/ward's daily assignments and instructions given by teachers.

Parents/guardians can communicate with teachers via email, school's email (naps@moe.edu.sg) or through the school General Office (Mondays to Fridays, 8.00 a.m. to 5.00 p.m.) at 6441 8677.

Our teachers are not obliged to share their personal mobile numbers for communication with parents. Please use the school's main mode of communication stated above. We seek your understanding to respect our teacher's time by contacting them only during working hours (7.30 a.m. to 5.00 p.m.) and that they may not be able to respond to you immediately as they might be in class. Please also allow the teachers at least 3 working days to respond to your feedback via email or phone.

c) Establishing a Positive School-Home Partnership

Please visit our school website and official Ngee Ann Primary Facebook for updates on school life in Ngee Ann. We will be uploading photos of school activities/events and share our children's precious moments with you.

Mutual respect and trust form the strong foundation for positive engagement between schools and parents.

In adherence to PDPA guidelines, class Whatsapp chat groups will not be created by the school. In the use of social media platforms such as Whatsapp, Facebook or Instagram, please be mindful of comments made that might incite unnecessary anxiety and/or unfounded speculations towards others.

If an incident occurs, allow the teacher/school time to verify the facts before engaging you, so that the incident involving your child can be resolved in a fair and objective manner. When disagreements occur, stay open and find out more from the school. Allow the teacher the opportunity to establish the facts and work with you to resolve disagreements amicably.

Our children succeed when schools and parents work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.

Thank you.

Yours faithfully,
