3. Assessment Plan

In our effort to nurture lifelong learners, we focus on helping our students discover more joy and develop stronger intrinsic motivation in learning. There are adjustments made to reduce school-based assessment load and perceived examination stakes. The P5 students will **not** be taking Mid-Year Examination. This is to allow more time and space for greater engagement and deepening of learning.

There will be End-of-Year Examination in Term 4 and three weighted assessments (WA) for the various subjects in Terms 1, 2 and 3. More details on the WA in Term 2 and 3 and End-of-Year Examinations in Term 4 will be given at a later date.

6. School-Home Partnership

a) Dissemination of Announcements and Consent Forms via Parents Gateway (PG)

Developed by the Ministry of Education and GovTech, PG is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

b) Communication with Teachers

We encourage parents/guardians to communicate with your child's/ward's teachers via the Student Handbook. The handbook is a means of checking your child's/ward's daily assignments and instructions given by teachers.

Parents/guardians can communicate with teachers' via email, school's email (naps@moe.edu.sg) or through the school General Office (Mondays to Fridays, 8.00 a.m. to 5.00 p.m.) at 6441 8677.

Our teachers are not obliged to share their personal mobile numbers for communication with parents. Please use the school's main mode of communication stated above. We seek your understanding to respect our teacher's time by contacting them only working school hours (7.30 a.m. to 5.00 p.m.) and that they may not be able to respond to you immediately as they

might be in class. Please allow the teachers at least 3 working days to respond to your feedback via email or phone.

c) Establishing a Positive School-Home Partnership

Please visit our school website and official Ngee Ann Primary Facebook for updates on school life in Ngee Ann. We will be uploading photos of school activities/events and share our children's precious moments with you.

Mutual respect and trust form the strong foundation for positive engagement between schools and parents.

In adherence to PDPA guidelines, class Whatsapp chat groups will not be created by the school. In the use of social media platforms such as Whatsapp, Facebook or Instagram, please be mindful of comments made that might incite unnecessary anxiety and/or unfounded speculations towards others.

If an incident occurs, allow the teacher/school time to verify the facts before engaging you, so that the incident involving your child can be resolved in a fair and objective manner. When disagreements occur, stay open and find out more from the school. Allow the teacher the opportunity to establish the facts and work with you to resolve disagreements amicably.

Our children succeed when schools and parents work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.

Thank you.

Yours faithfully,

Ms Hon Wyfen Purdee
Level Manager (Primary 5)
