Dear Parent/Guardian

### **P5 Updates (2/2023)**

#### **1) School-Home Partnership**

The Parents Gateway (PG) is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

Our children succeed when schools and parents/guardians work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.
