Dear Parent/Guardian,

P6 Updates (2/2023)

1) School-Home Partnership

The Parents Gateway (PG) is a one-stop portal that strengthens school-home partnership to support our children in their education journey. All school announcements and consent forms are disseminated via the PG. We strongly encourage all parents/guardians to read and respond to the notifications in PG.

Our children succeed when schools and parents/guardians work hand in hand to support them in learning self-management skills, taking responsibility and building resilience. We look forward to building a strong and positive School-Home Partnership with you.

2) PSLE Subject Registration and Verification Exercise

Your child/ward's form teacher will register your child/ward for PSLE in Term 2. A verification slip will be given to each student on 14 April. Please sign and return the slip to the Form Teacher by 19 April.

3) CCA for P6 Students

CCAs will be suspended for P6 students from Term 3 onwards.

4) Updates to Term 2 School Calendar

Please refer to the Term 2 Calendar of Activities in the communication letter dated 16 March 2023 sent to parents via PG. Please take note that there will be **no Remedial lessons on Friday 21 Apr.**

Also, 21 Apr being the eve of Hari Raya Aidilfitri, Muslim staff and students will be allowed to leave school at 10 a.m.

5) P6 June Classes & Bonding Session

The lessons will be conducted **from Monday 19 June to Wednesday 21 June (last week of the June holidays) from 8.00 a.m. to 12.30 p.m.** As part of our efforts to foster bonding among teachers and peers, the school is planning some games for the P6 students on **Wednesday, 21 June.** Lunch for the students will be served after their lessons at 12.30 p.m. and the games will start at 1.30 p.m. and end at 4.30 p.m. Please make the necessary transport arrangements for your child/ward.

6) P6 Parents' Briefing 2023

There will be a face-to-face P6 Parents' Briefing on **Friday 14 April 2023 from 2 to 3.30 p.m.** In your child's/ward's respective classrooms, the class subject teachers for English, Math, Science and Mother Tongue will share with the parents curriculum matters and strategies on how parents can support their child's learning and in preparation for the exams.
